The information disclosure statement filed 7 November 2005 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because in the IDS submitted on the 7th of November of 2005, page 5, under "Statement Under 37 CFR 1.97 (e)", the second box should be checked stating: "No item contained in this IDS was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing this statement after marking reasonable inquiry, no item of information contained in this IDS was known to any individual designated in 37 CFR 1.56 (c) more than three months prior to the filing of this IDS". It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).
